

Barrie AAA Zone Registration Fees for 2018-2019 Season

The registration fees for the upcoming season will be \$2800.00 for Novice, Minor Atom, Atom, Minor Peewee and Midget and \$3100 for Peewee, Minor Bantam, Bantam and Minor Midget. (The \$300 difference for Peewee, Minor Bantam, Bantam and Minor Midget is to cover the costs of a conditioning camp that will be held in late August).

This is actually a decrease of \$50 per player from last year.

However, there is a catch, we are making a change in how we handle jerseys and socks for the upcoming season. As you may know, we have entered into an agreement with Pro Star Sports to supply Bauer jerseys, socks and apparel. In past years, we have had issues with the generic size jerseys we had to order in advance not fitting some players and with overall maintenance and return at season end of jerseys. This year, after discussion with Bauer and Pro Star Sports we are going to “get out” of the Equipment business as an Association and have each player purchase their own Home and Away jersey and socks directly from Pro Star. Once the Team is selected, they will attend a fitting night at Pro Star Sports to be personally fitted for their jersey, socks and any other apparel your Team decides. Jerseys and socks will then be ordered based on each player’s exact size and avoiding previous sizing issues. Also, players will be allowed to order individual jersey numbers if desired. Players will now own both jerseys and keep them at season end. As each player will now purchase the jerseys and socks, which the Association had previously provided (on a 2 year cycle for jerseys) there will be additional costs to the parents. The total cost to purchase 2 jerseys and socks (Home and Away) will be approx. \$250 plus tax. The net effect will be a \$50 reduction in Registration and a \$250 increase for jerseys with a resultant \$200 overall increase. Although this is a cost increase we would have liked to avoid, we feel this will improve issues with jerseys and socks and the resulting frustration and time required to have alterations made. As well, at season end you will keep both jerseys and they may potentially be used again next season, subject to condition and care taken of them.

Payment Schedule for Registration is as follows:

- Registration for Novice to Minor Midget, can be paid in full upon signing the letter of commitment or provide post dated cheques per the following schedule:
- 1/5th of the registration amount due the first Thursday in May.
