Barrie AAA Zone Hockey Return to Play - Update #3

Registration for start-up of 2020 Season

Registration is now open on the Barrie AAA Zone Website at. <https://barrieaaazone.ca>

Registration will close Tuesday September 15, 2020

Registration is restricted to players who were rostered on a Barrie AAA team for the 2019-2020 Season with some limited exceptions. Barrie AAA players will register online through Hockey Canada for Barrie AAA Zone.

Please note that registration is for the 12-week development program from October 1, 2020 to December 23, 2020.

All payments are online through the link above, credit card only!

Initial Payment of \$450.00 will be due at time of registration which is for the October installment. Installments for November and December will be due November 1st and December 1st.

Following this period, we will reassess the program for January to March 2021 dependent on any changes that may be made by the OHF and OMHA. There is a possibility things will remain as they are for the entire season or optimistically we may see a further re-opening of activities to include tryouts and expanded game play.

Also please note that this registration is not indicative of you having a spot on a future Roster.

Should we get to Stage 4 and are allowed tryouts and expanded game play then our current program will be changed to address a more open ability to participate in AAA hockey by other players.

I realize this is a tight timeline and is coincidental with school start-up etc. however we need to complete this registration process to get players on rosters for insurance purposes.
